

SUYASHWANT SAWANT

PROFILE

A motivated and detail-oriented IT graduate with a Bachelor of Science in Information Technology. Passionate about software development, problem-solving, and continuous learning. Seeking an opportunity to apply technical skills and knowledge in a dynamic environment.

PROJECT WORK

GAMESOFT

HTML, CSS, JAVASCRIPT, JAVA AND MYSQL

- Developed a gaming website, GameSoft, featuring a user-friendly interface with a structured navigation bar (Home, Register, Feedback). Implemented game image displays in rows and a feedback section for user engagement. Focused on simplicity, usability, and interactive design to enhance the gaming experience.

COFFEE CAFE

HTML, CSS, JAVASCRIPT AND PHP

- Designed a modern coffee shop website with an interactive menu, QR code display for easy access, and a feedback section for customer engagement. Focused on a sleek black and grey theme with smooth navigation for an enhanced user experience.

ARDUINO SMART CAR

C LANGUAGE

- Developed a Smart Car using Arduino, integrating sensors for obstacle detection and automation. Focused on efficient design and functionality to enhance autonomous movement and control.

PORTFOLIO PERSONAL WEBSITE

PYTHON

- Developed a responsive 5-page portfolio website using Flask (backend), HTML, CSS, and JavaScript. Showcased projects, resume, and contact form with a modern dark-themed UI.
